

COMFORTMAKER

3'x6' OUTDOOR SIGN PROGRAM

BUSINESS IDENTIFICATION PROGRAM

The Comfortmaker business identification program tells today's consumer you are an authorized dealer of one of the most well known brands in the industry. You can display only the brand sign or you can personalize it with your business name in a wide variety of sizes. Built to demanding commercial specifications, these signs are designed to provide years of trouble free service. All signs feature virtually unbreakable polycarbonate faces, rust resistant aluminum housings and energy efficient electronic ballasts. All signs bear the U.L. label and are produced here in the United States.
